NOVEMBER 2007

GUILD NEWS

From the President

As you know, the new officers for 2008 have been elected and will start their duties in January. In the very near future, the current officers and the newly elected officers will get together, along with representation from the Fiber Guild, to exchange information and establish direction of the guild in 2008. Please get any of your concerns, suggestions, and comments to one of the current or new officers, so that your input can be acted on during our "think tank" session. This is your guild and we want to be discussing things that are important to you. Give us input and ideas that reflect the kind of guild you wish to have.

ALERT, 3 UPCOMING DEADLINES:

- 1. November meeting is the last opportunity to bring in a charitable donation for the elderly at the Center for Aging at KU Med Center. Gloves, mittens, hats, scarves, slippers, throws, pillows, afghans, bags, etc. would be greatly appreciated. Eleanore Johnson will deliver the items for us to the Center for Aging where they will be distributed to the needy elderly by that organization. Eleanore said they need not be gift wrapped.*
- 2. December meeting is the deadline to bring your item for the Holiday Party gift exchange. The selected item this year for the exchange is either a cellphone holder or an eyeglasses case. If you choose not to participate in the gift exchange, join*

us for the festive time at the party anyway. It is a potluck brunch, so bring your favorite holiday dish.

- 3. January meeting is the deadline to bring in your fiber art item that will become a part of the 2008 Guild Display that will go to the KAWS meeting in Wichita in March. (Yes, you do get your item back) Remember, the item will be made from the "inspiration picture" which is on the website. If you need a hard copy of the picture and you cannot pick one up at the meeting, let me know and I will get one to you. Lolly Buxton will collect the items and assemble a display to present for a "dry run" set up at the February guild meeting. With the item that you make for the display, send along a short write-up that could be typed or printed on a display card 2.5" x 2.5". The write-up should give information about the design, the technique, and the type of fiber used for the item.*

For those of you not participating in Creative Hand, let me encourage you to come out to see all the "wonderful stuff". To stand in the midst of all the creativity and look around is as good as any seminar in motivation and inspiration. The show opens Friday 4-9pm, November 16 and continues Saturday 10-5pm on November 17. It is held in Mission, KS at the Powell Community Center.
