January Program: Janet Meddings will lead us through a design exercise to help with color choice in any project including art-making in any medium as well as fiber art techniques, interior decorating endeavors, paint color selection and more. Please bring the following supplies:

2-3 magazines that can be cut and torn apart

3 sheets paper 8.5 x 11

Scissors

glue stick

Community Outreach:

We are in search of donations of embroidery hoops that are not super large nor super small and for clean yarn and roving of any fiber for a community outreach program. Kirsten and Lynette are leading at St Paul's Methodist Church on Jan 27, 2025. This Church group will be donating some money to our Guild for our services and the supplies we use. Please bring any hoops or yarns that you would be willing to donate to our January meeting. Thank you

Project Linus:

I know I've been encouraging everyone to join in with our service project, and thought it was time to put my money where my mouth is. Weaving this blanket took hardly no time, and it was really fun. Plus, I felt good about myself when I imagined a baby wrapped up in its soft cuddliness.

Creative Hand 2025

We ask all interested persons - past, present, and future - to join us for a discussion about Creative Hand. We want to hear suggestions and have discussions about potential changes and ideas to make the annual show and sale bigger and better year after year. Please mark your calendars and plan to join us on Sunday, February 2nd from 2pm - 3:30pm in the Carmack Community Room at the Johnson County Central Resource Library in Overland Park. Reach out to Karen Ecton at karen.ecton@gmail.com if you have any questions.
